

Name _____

University of Minnesota
Department of Speech-Communication
M.A. Plan A Worksheet

The following worksheet provides the minimum requirements for the M.A. Plan "A" degree based on Graduate School and Department of Speech-Communication requirements. Consult also "Guidelines and Procedures for M.A. students."

I. Major, At least 15 credits in Speech-Communication.

a. At least one 8-xxx Speech-Communication Seminar

Course Title	Instructor	Completed	Credit	Grade
--------------	------------	-----------	--------	-------

Subtotal_____

b. Quantitative methods (usually Speech 5-421)

Subtotal_____

c. Rhetorical criticism (usually Spch 5-615)

Subtotal_____

d. All courses NOT listed in a, b, or c.

Subtotal_____

Total of a, b, c, d:_____

When submitting this program to the DGS you must include, on a separate note, not the facing page of the official program form, a list of the three graduate committee members you are proposing (the adviser, one other eligible speech faculty member, one outside member), and transcripts for all work already taken, which is included in the program. If work is included from another school, then a transcript from that school does not need to be included if it is already in the Graduate School files, and it has the final grade for every course transferred.
